

BASIC BUDDY® Compression Only

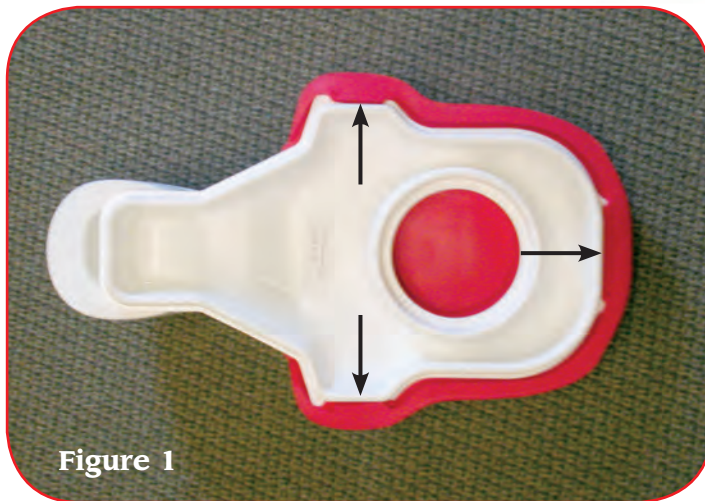

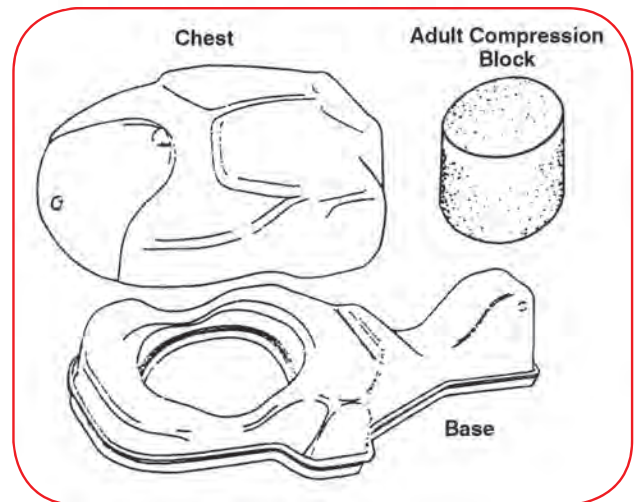

Figure 1

About the Simulator

The **Life/form® Basic Buddy®** Compression Only Manikin is the most realistic, economical manikin available for the training of compression skills. Features include child and adult compression resistance, palpable landmarks, and a lightweight and compact design. Five-year warranty.

List of Components

- Base
- Chest
- Foam Compression Block

Set Up

Your **Basic Buddy®** Manikin is shipped unassembled. Simply follow these easy steps to assemble your manikin.

Attaching the Cover to the Base

Place the chest on top of the base and lock it into place by tucking the edges under the foam flaps at the three points indicated. **(See figure 1.)**

See diagram for part reference.

Care and Maintenance

The bodies can be cleaned by any of the following methods:

- A bleach/water solution as recommended by the center for Disease Control, OR...
- Sanitize with alcohol wipes or any other sanitizing agents.*

*Manikin bodies are foam based and are not waterproof. They should not be submerged in water.
